Annual Fall Clean-up

The annual fall "dumpsters" will be brought in at noon Thursday, November 6 & picked up at noon Saturday, November 8. They will be placed in the usual places, in the swimming pool parking lot at the entrance off Fairway, & another one in the tennis court parking lot at Burning Tree. Remember, **NO HAZARDOUS MATERIALS**. Many common products found in your home such as oil-based paint, mercury, gasoline, de-greaser, cleaning compounds & garden chemicals may be hazardous & should be disposed of properly. You may call Arapahoe County Disposal Service at (303) 795-3834 for more information. **Please do not put electronics, refrigerators, or other major appliances in or around the dumpsters.** Please call the Town office for these items, we have a recycler who will take most anything away you no longer need. The Town office will be the collection site but please call first to ensure the items you have are eligible for this program.

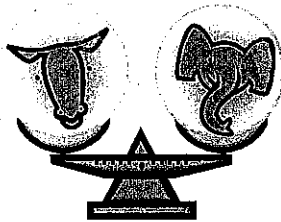

DISPOSAL FOR VEHICLE BATTERIES, TIRES & OIL

Tires, car batteries (lead-acid batteries) should never be disposed of in your home trash container or dumpster, or poured into any type of drain. These materials can be easily recycled instead. Most automotive shops & stores (Checker Auto Parts or Pep Boys) accept car batteries & used motor oil for recycling at no charge. Car tires may be recycled at tire shops when you purchase new tires.

50th ANNIVERSARY

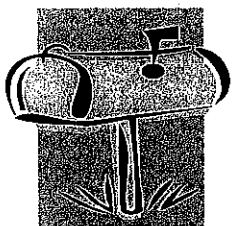

In July of 2009, the Town of Columbine Valley will mark its 50th Anniversary of incorporation, beginning with 17 families forming the Columbine Valley Homeowner's Association. In anticipation of a celebration next summer, the Board has formed a committee headed by Trustee Jim Newland with help from representatives of the nine homeowner's associations. This committee is beginning the planning process and encourages thoughts and suggestions from anyone as we move forward. You can call the Town Office or your HOA president with your contribution or for additional information.
