

Town of Columbine Valley

Spring 2012

www.columbinevalley.org

FROM THE MAYOR

As one of my tennis team members is prone to ask, "Is it summer yet?" My answer is – In my walks around our Town I see the trees are leafing out, flowers (especially the lilacs) are blooming, lawns are green and growing, and the birds are singing, so it must be summer in Columbine Valley. How nice it is!

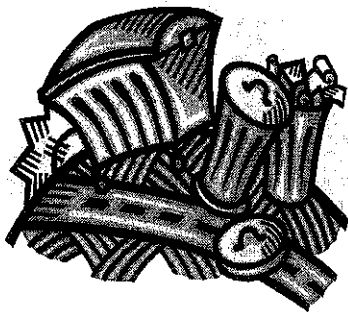

On to the business of the Town, the 2012 Board election was completed on April 3rd and the new Board is up and running. We have one new Trustee, Mr. Mark Best from Driver Lane, two Trustees were re-elected, Jeff May from Wedge Way and Jim Newland from Brookhaven Trail. And I was re-elected Mayor; thank you very much. We had over 400 votes cast, which is pretty good for an off-year election. I want to thank our staff Dana Struthers and Ann Jennings for conducting an efficient election and our three Election Judges, Mary Lou Seeliger, Sue Emrick and Jim McShane. A job well done.

Reminder – the Town asks for your help in keeping our street gutters clean of grass, leaves, twigs and dirt (mud) in the effort to maintain our beautiful neighborhoods. Please ask your yard maintenance folks not to blow grass clippings etc. into the street. Thanks for your help in this endeavor. Jim Newland, the Town's Public Works Commissioner, will once again be implementing a street and gutter repair program this summer so we will be working to maintain the appearance and safety of our roadways.

Have a great summer and enjoy life in Columbine Valley!

Gale Christy
Mayor

DUMPSTERS

The Town is again having dumpsters brought out at noon on June 14th and picked up around noon on June 16th. **THEY WILL BE IN THE TOWN HALL PARKING LOT IN THE SAME FASHION AS THEY WERE LAST FALL.**

Please do not place any hazardous materials in the dumpster as well as any electronics, refrigerators or other major appliances. The Town has a recycler who will take these types of items and most things you no longer need. In some cases, the recycler will come to you if your item is too large to bring to the Town Hall. Please call the office to ensure the items you have are eligible for this program.

4TH OF JULY

It's not too early to be thinking about the Annual 4th of July Parade. Be thinking about decorations for your golf carts, bikes, etc. Any ideas for entertainment and activities for the children for the post parade gathering at the Town Hall would be greatly appreciated. Please call Ann or Dana in the Town office with your comments and ideas.
