TOWN OF COLUMBINE VALLEY

BOARD OF TRUSTEES

Minutes

March 17, 2015

Mayor Pro Tem Cope called the Board meeting to order at 6:30 p.m., in the Conference Room at the Town Hall at 2 Middlefield Road, Columbine Valley, Colorado. Roll call found the following present:

Trustees:	Dave Cope, Mark Best, Jeff May, Richard Champion, Jim Newland
Absent:	Gale Christy, Bruce Menk
Also present:	Lee Schiller, J.D. McCrumb, Bret Cottrell, Jeff Tempas, Troy Carmann, Greg Bowman

MINUTES: The minutes of the February 17, 2015 meeting were approved.

CITIZEN CONCERNS: Kathy Boyle, 16 Fairway, representing a block of homeowners presented letters to the Trustees and requested speed bumps be situated on the block of Fairway immediately east of Platte Canyon road to alleviate speeding cars and cut-through traffic.

Chief Cottrell offered to lend radar equipment to the homeowners so they could document the speed of cars.

MAYOR'S COMMENTS: None.

POLICE DEPARTMENT:

- Chief Cottrell presented the attached report for February 2015
- As the Bow Mar annexation processes continues, the possibility of Columbine Valley PD patrolling Bowles Avenue has been discussed.

TRUSTEE REPORTS:

Building Commissioner: Trustee May presented the attached report.

Planning and Development: None.

Public Safety: None

Public Works: Trustee Newland welcomed Kristen Schweitzer, Polo Meadows HOA President to present to the Trustees the HOA's request for landscaping and wall maintenance funding. After reviewing the attached report, the Trustees directed that wall clean-up occur without further discussion and tabled the request for landscaping funds to the April meeting so the Board might have time to visit the site.

Trustee Newland and Troy Carmann presented the Board with the 2015 road improvement plan. This included the proposed areas to be worked on, gutter pan replacement and the timing of the project. The invitations to bid will be sent in the next several weeks.

Troy Carmann updated the Board on the alligator cracking that has occurred since last summer's work in Burning Tree and The Village. The cracking is not uncommon after such work, is not structurally unstable and will be addressed by crack sealing this summer.

Special Affairs: None.

Treasurer: Mr. Tempas presented the attached financials.

Town Administrator: Mr. McCrumb presented the attached report.

OLD BUSINESS:

- None

NEW BUSINESS:

- **Platte Canyon Initiative Direction:** The Trustees discussed the findings of the Platte Canyon Traffic Study as presented at the March 10 study session.
ACTION: upon a motion by Trustee Champion and a second by Trustee Best, the Board of Trustees unanimously approved to direct Columbine Valley staff to estimate the costs associated with moving forward on improvements to the Platte Canyon/Bowles intersection and the Platte Canyon/Coal Mine intersection

ADJOURNMENT: There being no further business, the meeting was adjourned at 7:41 p.m.

Submitted by,
J.D. McCrumb,
Town Administrator

** All reports and exhibits listed "as attached" are available on the Columbine Valley web site and by request at Town Hall, 2 Middlefield Road.*

AGREEMENT FOR SERVICES

THIS AGREEMENT is entered into by and between the CITY OF LITTLETON, COLORADO, a municipal corporation of the State of Colorado (hereinafter referred to as "the City"), and the TOWN OF COLUMBINE VALLEY, COLORADO, a municipal corporation of the State of Colorado (hereinafter referred to as "the Town");

WITNESSETH:

WHEREAS, the City provides public works services for the benefit of its citizens; and

WHEREAS, the Town at the present time provides no such service except as rendered occasionally by independent contractors, and from time to time, has the need for such service and wishes to avail itself of the services presently provided by the City; and

WHEREAS, both the City and the Town find it mutually desirable pursuant to C.R.S. § 29-1-2013, as amended, to enter into this agreement.

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. The City shall provide public works services within the boundaries of the Town.
2. The public works services to be provided by the City within the boundaries of the Town shall be similar to the public works services provided and performed within the boundaries of the City. For purposes of this agreement, the public works services shall include but not be limited to:
 - A. Street sweeping;
 - B. Street striping;
 - C. Ice melt/sand for the Town's public works truck;
 - D. Occasional small scope street repair;
 - E. Storm sewer cleaning on an emergency basis;
 - F. Other public works functions on an as needed basis, as agreed upon by the parties.
3. For the public works services provided under this agreement, the Town shall make all requests to the Director of Public Works at the City. Both parties shall agree upon the details specific to the work to be performed including, but not limited to, the timing of the work, prior to any work being performed by the City. The City shall invoice the Town within 60 days for any service provided under this agreement; the Town shall pay to the City within 30 days of invoicing, all costs for the material and labor provided by the City plus 5% of such costs. For the first year of this agreement, labor shall be calculated

based on a rate of \$36 per person per hour. Thereafter, the labor rate shall increase annually in the amount equal to the annual increase in total compensation costs for the City. The City shall provide notice to Town of such increase 30 days' prior to its effective date.

4. The City shall be responsible for maintaining all records relating to the services performed, in accordance with the City's retention schedule, which shall be available to the Town upon request.
5. The City is, and shall at all times be, an independent contractor. Nothing in this agreement shall be construed as creating the relationship of employer or employee between the Town and the City or any of the City's or Town's agents or employees. Nothing in this agreement shall make any employee of the Town a City employee or an employee of the City an employee of the Town for any purpose, including, but not limited to the withholding of taxes, payment of benefits, workers' compensation, or any other rights or privileges accorded the City or Town employees by virtue of their employment.
6. Nothing in this agreement shall be construed as a waiver by any of the parties of the protections afforded them pursuant to the Colorado Governmental Immunity Act, Sections 24-10-101, *et seq.*, C.R.S. ("CGIA") as same may be amended from time to time. Specifically, nether party waives the monetary limitations or any other rights, immunities or protections afforded by the CGIA or otherwise available at law.
7. The City shall provide insurance listing the Town as a named insured and providing coverage against any and all claims arising from the provision of public works services by the City to the extent provided by the City's insurance coverage supplied by the Colorado Intergovernmental Risk Sharing Agency (CIRSA) or such other insurance provided to and maintained by the City. A copy of a certificate to the City policy naming the Town as insured will be attached to this agreement as Exhibit A. The insurance coverage supplied by the City shall include, but not be limited to, claims for bodily injury and property damage.
8. The Town shall not be responsible for workers' compensation claims of City employees working under this agreement.
9. The Town agrees to maintain general liability insurance with a minimum of \$1,000,000 limit of liability. The City shall be named an insured under such policy. The Town shall provide the City with a certificate reflecting that coverage. A copy of a certificate to the City policy naming the City as insured will be attached to this agreement attached hereto as Exhibit A.
10. The Town further agrees to carry workers' compensation coverage for its employees as required by Colorado law.

11. The terms and condition of this agreement shall be in full force and effect commencing May 5, 2015, and shall be renewed each year automatically, provided, however either party may request a review and modification of this agreement upon 30 days' written notice. No modification of this agreement shall be effective unless signed in writing by both parties. Either party can terminate said agreement by providing the other with written notice that the agreement shall terminate, effective 30 days from the date of delivery of said notice.
12. It is expressly understood and agreed that the enforcement of the terms and conditions of this agreement and all rights of action relating to such enforcement shall be strictly reserved to the Town and the City and nothing contained in this agreement shall give or allow any such claim or right of action by any other third party pursuant to this agreement. The City and the Town do not intend that there be any third-party beneficiary to this agreement. It is the express intention of the City and the Town that any person or party other than the City or the Town receiving services or benefits under this agreement shall be deemed to be an incidental beneficiary only.
13. Any assignment or transfer of this agreement is prohibited, unless written consent is obtained from the other party in writing.
14. Unless otherwise agreed in writing, this agreement and the interpretation thereof shall be governed by the laws of the State of Colorado.
15. Notices to be provided under this agreement shall be given in writing either by hand delivery or deposited into the U.S. mail with sufficient postage to the following persons:

To the Mayor and Trustees of the town of Columbine Valley, CO

The traffic and speed of traffic on Fairway Lane has increased dramatically in the last ten years.

It is dangerous to walk on the street, cross the street and back our cars out of our driveways.

We, the residents on the first block of Fairway Lane hereby petition the town council of Columbine Valley to construct speed bumps or dips on this section of Fairway Lane to protect the safety of the children and adults using this street.

Thank you,

Suggestions: Since repaving road anyway do no yellow lines of a single yellow line like Club Lane makes psychological sense more like residential area vs. Plat Canyon or Pierce

- Amount of people use neighborhood as cut through disturbing bumper to bumper around 5:15/5:30 Bowles between Plat Canyon and Santa Fe

Comments: *When we moved in there were 3 children on this street. Now, there are 12 plus 2 grandchildren. The street has become very busy and dangerous for pedestrians, as well as bicyclists and dog walkers. We definately need speed bumps.*

Comments:

- ① *With current & future construction, the traffic will only increase.*
- ② *The speed bumps will encourage drivers to reduce their speeds.*
- ③ *May reduce "cut-throughs"*
- ④ *Due to the curve, there is a significant blind spot. Bumps will reduce speeds for both golf carts & pedestrians. We have seen many times where a car has come up very quickly as a neighbor was pulling out.*

GENTLEMEN:

WE SUPPORT KATHY BOYLE'S
EFFORTS TO HAVE SPEED BUMPS
INSTALLED IN THE WESTERN
END OF FAIRWAY ONE.

THE VOLUME OF TRAFFIC IS
SIGNIFICANT AND BUMPS
WOULD HELP SLOW OR DISCOURAGE
SOME TRAFFIC.

THANKS FOR YOUR CONSIDERATION.

April 19, 2015

Dear Mayor and Trustees of Columbine Valley,

My name is Sharon Dymerski and my husband and I have lived at 13 Fairway Lane for almost 30 years. I am writing to you to ask that the town put in speed bumps on Fairway Lane up to the stop sign at Club and Fairway.

Over the years it has become increasingly difficult to back out of our driveway due to the traffic volume, especially in the morning. The main part of our home faces the street so I am able to see the amount of cars that pass in front of my home and I am amazed at how many cars go by and at what speed they travel on my street. As the area grows, a problem that is already difficult will become dangerous.

I am disabled and walk with a brace and a cane. The configuration of Fairway Lane as it comes from Platte Canyon to Club Lane is like a blind double S. I cannot cross the street quickly enough to be safe as if I can see one portion of the road I cannot see the other. I walk slowly and I have only one "speed" and I cannot cross the street safely. Each time I attempt to cross the street to visit one of my wonderful neighbors I am not certain that I will not be hit by a speeding car. This is psychologically most upsetting and frustrating to say the least. Please help me feel safe in my own neighborhood by helping control the speed of the vehicles so that I will have time to get out of their way should I encounter a car I could not see before leaving my property.

Thank you in advance for your help to keep the residents of Old Town safer. There is a potential disaster in the waiting and I am thankful that my children are grown as I would never let them cross the street alone; it is too dangerous.

Sincerely,

Sharon Dymerski
