Garbage and trash will be picked up early in the morning and should be placed at the curb by 7:00 a.m. If you need a new, additional or replacement trash bin contact Town Hall.

Snow Removal

Weather conditions in Colorado can be rather unpredictable, one day you'll be playing golf, absorbing the sun and warmth, the next day you'll be shoveling snow, wrapped in layers of clothing. The goal of the Town of Columbine Public Works Department is to keep roads safe and clear for ease of access and emergencies. Plowing will commence when 1/2" of snow has accumulated on the roads. Arterial roadways will be addressed first followed by secondary roads and finally parking lots and cul-de-sacs. Ice on our roads will be monitored and treated as necessary.
