

Hello!

The Town of Columbine Valley attempts to keep a digital and printed directory up-to-date to provide residents with communications about events and services.

- Please complete the directory form on the back of this letter and return it to Town Hall or email it to [kanton@columbinevalley.org](mailto:kanton@columbinevalley.org).
- You may opt out of including any information in the *printed* Town Directory. However, we do encourage you to provide information for internal Town staff/police use only.
- In addition, you can opt out of providing your contact information completely.

Feel free to contact me if you have any questions.

Thank you!
