

Mid-Roof Waiver

If the Building Department requests a Mid-Roof Waiver, complete this form and email it to bzapata-diaz@columbinevalley.org.

Date: _____

Street Address: _____

Permit Number: _____

Contractor Name: _____

INSPECTION

- The Town of Columbine Valley Building Department division did not perform a Mid-Roof Inspection on your property because your contractor installed the roof 100% complete.
- For your assurance, per the roofing contractor, all roofing materials were installed according to the Town of Columbine Valley requirements and manufacturer specifications.
- For the Town to verify compliance, a Final Inspection has been requested of your roof.
- To approve the Final Inspection of the roof, the Building Department requires a signed waiver from you, the owner of the property.

WAIVER

I certify that I am the owner, or an authorized representative, and I acknowledge and approve the Mid-Roof Inspection was not performed.

Owner/Authorized Representative Signature: _____

Date: _____
