

## 30-Day Temporary Permit Application: Dumpster, Storage Container, or Portable Toilet

When a building permit is not required for a project, a property owner may apply for a temporary permit for a dumpster, storage container, or portable toilet. Complete a separate form for each type of unit you need and email it to [bzapata-diaz@columbinevalley.org](mailto:bzapata-diaz@columbinevalley.org).

### PERMIT DETAILS

- Unit Type: ☐ Dumpster ☐ Storage Container ☐ Portable Toilet
- Vendor(s): \_\_\_\_\_
- Homeowner Name: \_\_\_\_\_
- Homeowner Address: \_\_\_\_\_
- Homeowner Email & Phone Number: \_\_\_\_\_

### ACKNOWLEDGMENT

Type your initials after each provision and type your name as a signature.

- The property owner must obtain a cost-free permit from the Town. \_\_\_\_\_
- The unit must remain on private property.\* \_\_\_\_\_
- The unit is only permitted to be on site for 30 days or less. \_\_\_\_\_
- The unit must be removed from the site on or before the permit expiration date. \_\_\_\_\_

*\*The Columbine Valley Municipal Code prohibits temporary dumpsters, storage units, and portable toilets anywhere within the Town's right-of-way. Any use or application of these units for private use must remain on an individual's private property.*

I hereby acknowledge that I have read and state that the above is accurate and agree to comply with all city ordinances and the municipal code.

- Signature of Applicant: \_\_\_\_\_
- Date: \_\_\_\_\_

### TIMEFRAME (STAFF USE)

- Permit Start Date: \_\_\_\_\_
- Permit Expiration Date: \_\_\_\_\_
