

## NOTICE OF WORK IN YOUR AREA

Dear Residents,

We want to inform you that Utilities One and its Partners will install new fiber optics throughout your neighborhood on behalf of Intrepid Fiber Network. This installation will provide residents with a new option of fiber-to-the-home internet service.

Work is estimated to start on \_\_\_\_\_, schedule, and weather permitting.

### Work Details:

- **Work Hours:** \_\_\_\_\_ AM – \_\_\_\_\_ PM
- **Scope of Work:** New fiber optic installation to provide fiber to the home service.
- **Traffic Disruptions:** The Road will have full access throughout work.
- **Noise Levels:** Construction Noise will be present during work hours.

### Important Information for Residents:

- Trash and recycling collection will continue as scheduled.
- Emergency services will always have access.
- Driveway access may be temporarily limited, but we will notify residents before blocking driveways.
- Small holes will be opened behind walkways to find existing utilities and install fiber conduit boxes.
- An effort will be made to keep boxes between properties. If this cannot be achieved, residents will be contacted before placement.
- Any property damage will be restored to its previous condition.

We understand this work will cause a temporary inconvenience, but we appreciate your cooperation and patience.

If you have any questions or concerns, please contact:

**Tom Bullock** - [thomasb@utilitiesone.com](mailto:thomasb@utilitiesone.com)

Thank you for your patience and understanding during this process. We look forward to working with you to provide a new, more reliable network.
